“ *Mary Ann, we have been your next door neighbors for over 14 years and I still can't believe that you're not over there sitting on your front porch, watching the world go by and also keeping up with the neighbors. How will I find out who did this or that without you to fill me in ? Who's gonna call me up after a big thunderstorm and ask: "Did it rain at your house?" Who's gonna call and ask, without even saying "Hello": "What you cooking good tonight !" And I miss bringing you a helping of whatever we might be cooking to temp your appetite, especially after you got sick.*

I'm sure you've already got the "lay of the land" up there in the Hereafter and have been finding the best beaches to go shelling on, which you loved to do. Now you have eternity for that sun, sand, and shells. Miss you, dear !

“ *We were neighbors for awhile and my brother was a patrolman that worked out of the same office as Marry Ann. I always thought of her as a jewel. Like others have said don't put off what we should do today. I did not realize with COVID she had been sick. Prayers for Teddy with his adjustment.*

“ *Maryann, I can not believe your are gone. You were they only neighbor that yelled across the street while in your pjs with Teddy beside you for me to come over and introduce myself to you and you to me. I miss having you across the street and Teddy.You also introduced me to Ms Gloria and you two would just talk about how you two became friends and been there for each other. I really enjoyed visiting you and sad that you are not on this earth anymore, but you are in a better place without any pain. Please let our Heavenly father take care of you and you not do it on your own. You will be greatly missed and I will keep you and your family in my prayers. I surely feel guilty for not checking up on you more often and I'm so so sorry, please forgive me. Rest in peace my friendly neighbor.*

“ James and Peggy Leggett offer our condolences to Gene Martin and his family and to Gloria Nicholson. We knew Mary Ann for many years from her teenage years to the present. She was a great cook and a devoted wife to Tommy. We are so sorry she had a painful journey these last two years and we know that she has joined the love of her life in Heaven.

“ Well, where do I begin? I met MaryAnn many, many years ago while working with her as a Driver License Examiner in Rocky Mount. Mary Ann was one of those people that you could either learn to accept her wit and sarcasm or be on your merry way. A lot of times I had to be on my merry way because I was not going to let her win (smile).

On a more serious note though, Mary Ann was an extremely hard worker. I remember often her talking about those awesome meals that she prepared daily . She spoke of gardening her fresh vegetables and was just excited about every aspect of it.

There were ups and downs during our friendship, but somehow MaryAnn knew exactly what to say and do when the the time was right to make peace with you (smile).

Just before Covid, MaryAnn “invited herself” to join my family and I for Thanksgiving dinner. As always, my family welcomed her with opened arms. I think it was Christmas of 2021, MaryAnn called my sister requesting a dinner plate. My sister graciously sent her a plate even before the family met for dinner. I will never forget how ecstatic MaryAnn was that she got Christmas dinner plates delivered to her even before my family met for dinner. She just could not resist the opportunity to rub that in. Calling to tell me everything that was on her plates. That seemed to make her day. (Smile)

I spoke with MaryAnn earlier in the year.. She asked that I come to visit her and Teddy. I am so sorry that I didn't make it by. The old saying once again has proven to be true.... Don't put off until tomorrow, what you can do today. Tomorrow “may” be too late!!!!

You will be missed MaryAnn...
May you now Rest In Peace....
