“ I will miss Minnie so much. I went to work with Minnie at the age of 17. She taught me how to do the best work that I could do. (Gave me back lots of stuff to do over) I thank her for that today. I worked from 73 to 96 with her when she moved and we only talked a few times a year. She saw me dating, married and having three children. I grew up with her and took advice from her daily I will miss you Minnie. A strange thing is my dad also passed the same day as Minnie and he also is being buried at 11 Thursday I will be there in thoughts. Rest in peace Minnie
